VINTAGE STYLE

Grassroots Productions collection of vintage silverware came to be over a number of years. Each piece has been individually sourced and polished by hand. We now have a variety of large matching sets on offer. With enough notice we can expand our current range to suit the needs of your event. Our collection includes silver plate specimen vases, 1 2 and 3 arm candelabras, single and 3 arm ornate lotus bowls and a variety of silver plate stands, trays and baskets. Our pieces work well with candles, flowers and even chocolate and can be matched to your vision and budget.

SOMETHING ELSE IN MIND? A sourcing service is also available. We also have vintage and second hand vases, cut crystal and depression glass, decorative birdcages, chandeliers, candle holders, coloured bottles, vintage linen and a big wish list of items to add to our collection.

Grassroots Productions work with talented artisans, crafts people and technicians to create unique event designs.
