Colour Palette

This wedding's colour palette is delicate and feminine enriched with soft tones of dusty, rosy pink to sunset hues. Tones of mint green and strong accents of aqua add a visual punch in keeping with the Marie Antoinette style of elegance. Hues of mauve and deep purple accompanied with vintage gold create bold highlights that balance the Sophia Capola pastels. The only way to ensure consistent colour in the creative features of the wedding is to use consistent colour samples listed below. Please use these samples when designing the colours in your work. When specifying colours for screens use the RGB values listed.
